SALE BUY 2 CASE GET 1 PACK FREE – VWR® Universal Pipette Tips

- ✓ Compatible with the widest range of pipets
- ✓ Maximizes sample recovery with low binding resin and a fine point design
- ✓ Improves ergonomics by reducing the force required to attach and eject a tip
- ✓ Autoclavable at 15 psi, 122 °C for 15 minutes
- ✓ Manufactured under an ISO 9001 quality management system
- ✓ Certified RNase-, DNase-, endotoxin-, metal-, and human DNA-free.
- ✓ Send a copy of your PO to Robert.iddings@avantorsciences.com to claim your free pack of tips. You can also include empty boxes in your request, if needed.

Secure Seal

- 1 FLEXIBLE PROXIMAL END**
 - Gives a consistently secure seal with the widest range of industry-leading pipettors
 - Requires less insertion force than competitors' to make a secure seal, reducing the risk of repetitive stress injury
 - Tips don't fall off your multichannel pipettor
 - Makes every pipettor more ergonomic

Clean Delivery

- 2 LOW RETENTION SURFACE**
 - Maximizes sample recovery
 - Improves accuracy across your experiments
- 3 MINIMIZES SURFACE TENSION**
 - Eliminates hanging droplet formation
 - Saves time by reducing the need for tip touch off
 - Increases accuracy and precision
