Locating Diverse Suppliers: Where to Start?

UC Davis Small and Diverse Supplier Expo
April 25, 2022

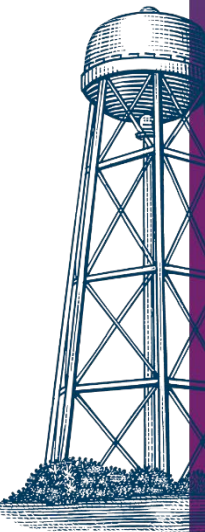

Today's Presenter

- Jim Hewlett is a training and communications analyst in Supply Chain Management (SCM).
- Jim assists in the development of the SCM website, online training modules, and email messaging.

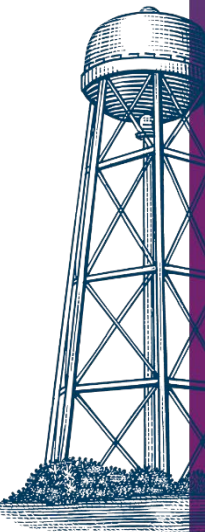

Today's Moderator

- Jennifer Eting is a Communications Manager with the UC Davis Finance, Operations, and Administration (FOA) organization.
- Please send any questions in chat to Jennifer, and they will be addressed as appropriate. There will also be time for questions at the end of the presentation.

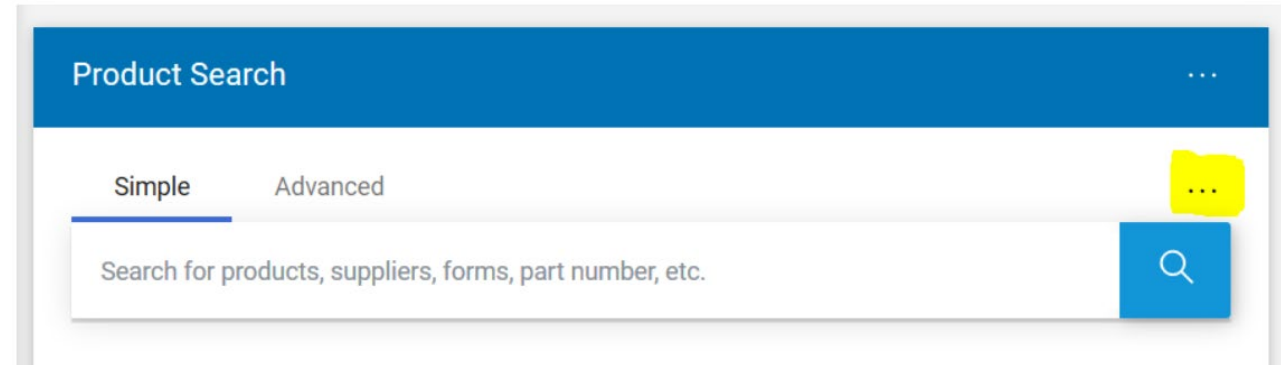

AggieBuy

- AggieBuy is the e-procurement system used by Davis campus, School of Medicine, and ANR employees for purchasing from more than 45 university suppliers.
- AggieBuy also contains several small and diverse suppliers.

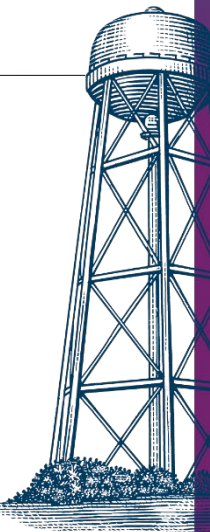

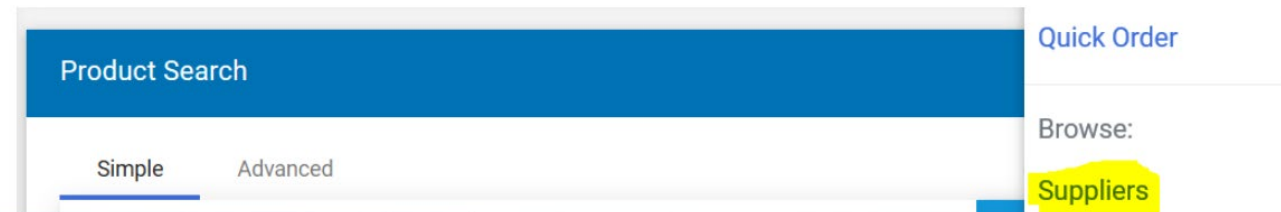

AggieBuy Supplier Lookup

- On AggieBuy home page at <https://aggiebuy.ucdavis.edu>, under **Product Search**, click on ... and then **Suppliers** in the **Browse** section.
- On search results, the following will display next to applicable suppliers:
 - **MBE**: Minority Business Enterprise
 - **SBE**: Small Business Enterprise
 - **WBE**: Women Business Enterprise

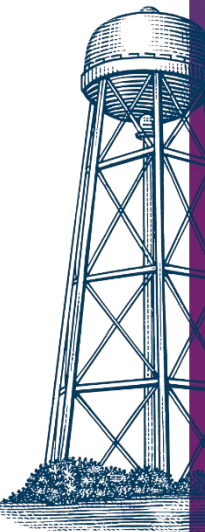

Then, click on **Suppliers** under the **Browse** header.

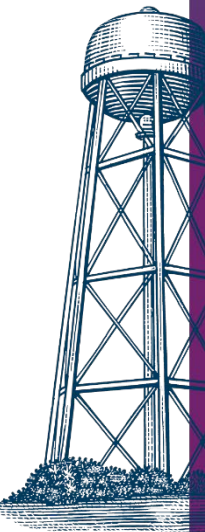

AggieBuy Diverse Businesses

- As of April 2022, AggieBuy includes the following diverse and small suppliers:
 - Genesee Scientific: Small Business Enterprise. Genesee Scientific is a manufacturer and distributor of global life science research products.
 - Main Street Technologies: Small and Woman Business Enterprise. This catalog features Hewlett Packard (HP) products, including laptop and desktop computers, printers, scanners and fax machines.
 - Neta Scientific: Minority, Small, and Woman Business Enterprise. Neta Scientific catalog features laboratory supplies and solutions to the Life Science and Pharmaceutical industries.

Kuali Financial System (KFS)

- KFS at <https://kfs.ucdavis.edu> is used by Davis campus, School of Medicine, and ANR (Agriculture and Natural Resources) employees for purchasing items not available in AggieBuy.
- The KFS **Vendor Lookup** can assist in locating small and diverse suppliers that can be cited on a KFS Requisition or Purchase Agreement.

Kuali Financial System (KFS) Vendor Lookup

- On the KFS **Vendor Lookup**, The **Supplier Diversity** field identifies various categories of small and diverse suppliers. Use the drop-down menu to select the desired search option.

Supplier.io

- [Supplier.io](#) provides options for searching for a small or diverse supplier. After identifying and selecting the UC Davis campus from the drop-down menu, log in with your campus login ID and Kerberos passphrase.
- [Refer to the help resources on the University of California website to learn more on using supplier.io](#)

The screenshot shows the EXPLQRER web application interface. At the top, there is a dark blue header with the logo 'EXPLQRER'. Below the header, there are navigation links: 'Lists', 'Secure File Portal', and 'Company Training'. The main content area is divided into two sections. On the left, there is a sidebar with a dark background and white text. It contains a list of filters: 'supplier.io Network' (with a checkbox and an information icon), 'BDR Eligible' (with a checkbox and an information icon), and a list of categories: 'ORGANIZATION NAME', 'DESCRIPTION', 'EMPLOYEES', 'REVENUE', 'LOCATION', 'COUNTRY', 'STATE', and 'INDUSTRIES', each with a dropdown arrow. On the right, there is a search area with a light gray background. It features a search bar with a dropdown menu set to 'Entire Database' and a text input field containing the placeholder text 'Enter Supplier Name or Keyword'. At the bottom right of the search area, the EXPLQRER logo and the tagline 'Your definitive source for diverse suppliers' are displayed.

State of California Cal-eProcure Website

- Search functionality is available to everyone at <https://www.caleprocure.ca.gov/pages/PublicSearch/supplier-search.aspx>.
- Under **Quicklinks** drop-down menu, select **Find certified SB/DVBE**.
- Ability to search by specific business type, such as Veteran or Woman owned, as well as county or zip codes.

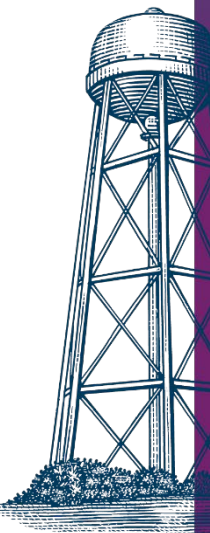

The screenshot displays the Cal-eProcure website interface. At the top, there is a navigation bar with links for Home, News / Events, FAQ, and Help. A Quicklinks dropdown menu is open, showing options: View/Search Bids, View/Search Contracts, and Find certified SB/DVBE (highlighted in yellow). Below the navigation bar, the page title is "The State of California Certifications". The main content area is titled "Search Criteria" and includes several search fields and checkboxes:

- Business Name: [Text input field]
- Certification ID: [Text input field]
- Certification Type: Micro Business (MB), Small Business (SB), Small Business for the Purpose of Public Works (SB-PW), Disabled Veteran Business Enterprise (DVBE)
- UNSPSC Classifications
- NAICS Classifications (only used by manufacturers)
- Contractor's License Classifications
- Service Area (County)

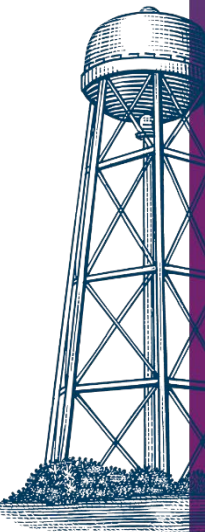

SAM.gov Website

- **Sam.gov** is a US government website that provides options for searching for federally-certified small and diverse businesses. A user account is required before searching against entity (business) registrations. After a user account is created and you are logged in:
 - Click on the **Search** tab, and then enter part of the name for the business in the **Search** field.
 - In the search results, click on the **View Details** link for the business you wish to view.
 - Click on **Reps and Certs** in the menu bar on the left.
 - Scroll down to **52.212-3** or **52.219-1** and click on the provision to view the certifications.
