

Purchasing Guide:

SV0170

Guarantee Savings:

Supplier is offering Members a ten percent (10%) savings guarantee when converting.

I. Water Pricing:

The price per three (3) or five (5) gallon water bottle will be determined by the annual purchase volume with Supplier as follows:

- a. Any new business for annual purchase: \$2.41 each
- b. \$10,000 or greater in annual purchases: \$2.24 each

II. Water cooler rental:

Hot and cold bottled water cooler dispenses hot water between 160 and 190 degrees F and cold water below 50 degrees F. Room temperature and cold water cooler dispenses room temperature water and cold water below 50 degrees F.

- a. Any new business for room temperature/cold water cooler and/or hot/cold water cooler: \$3.00 per month.

III. Carbon Filtration System:

Carbon filtration eliminates undesirable odors and tastes, organic compounds, and residual chlorine. The activated carbon acts like a sponge, attracting and holding certain non-polar chemicals as water passes through it. The carbon filtration units also meet hospital standards for infection control.

- a. Carbon filtration system: \$19.99 per month per unit
- b. 24 bottles of water- \$4.50/case
