SHOP SUSTAINABLY WITH UC DAVIS AGGIE SURPLUS
Our Mission

Aggie Surplus supports sustainability as it returns into circulation excess campus and UCDHS equipment, furniture, and supplies and sells surplus property to the general public and campus departments.

Benefits to your department and campus:

- cost savings by purchasing used items vs. new
- generate sales revenue by selling your surplus items
- support the campus’ goal of zero waste by 2020

We want to save you money while helping save the environment...

* Last year, Aggie Surplus returned $214,000 in revenue to departments from the sales of used equipment.

* It is estimated that departments save approximately $254,000 by purchasing from Aggie Surplus instead of buying new.

* Last year we diverted close to 500,000 lbs. of items from the landfill.

* Department purchases account for roughly 20% of our sales.
What else do we do?

- Ensure compliance with PPM 350-80
- Dispose/recycle non-marketable items in the most environmentally responsible way possible
- Manage the electronic waste recycling contract for campus and ensure compliance with industry environmental standards
- Coordinate the donation program for campus
There is always something fun and exciting happening at Aggie Surplus.
We hope you come see us!
