**Ology**  
Height-adjustable desk

## Designed for Wellbeing

The health of any organization is dependent on the wellbeing of its employees. A healthy workplace safeguards the company's most significant investment—its people—ensuring maximum efficiency and innovation.

Ology height-adjustable desk is designed to support the physiology and biology of workers to make the workplace a more health-conscious environment.

**Steelcase**

## IMPROVING WORKPLACE PHYSIOLOGY

### Promote posture change

Every aspect of Ology has been designed to promote user movement, bringing significant health benefits. Designed to encourage posture change throughout the day, with two user interface options, Ology allows workers to quickly, quietly and intuitively change postures without disrupting their coworkers.

### Tailored ergonomics

Ology fosters the user's physical comfort by providing a combination of tailored ergonomic options.

## PROTECTING WORKFORCE BIOLOGY

### Health-conscious workplace

80% of infectious diseases can be transmitted by touch. Ology addresses the most frequently touched surfaces with optional antimicrobial protection that is up to 99% effective in inhibiting the growth of microorganisms.

*Nanobiomatters study - 2012*
