WHY DO WE NEED STRATEGIC SOURCING?

Sourcing methodology

- ▶ Sourcing methodology refines supplier selection process
 - ▶ Clear business requirements and scope of work
 - ▶ Life Cycle Assessment studies for many system wide UC contracts
 - ▶ Lowest overall cost to the university
 - ▶ Technical experts needed to participate
- ▶ UC Terms & Conditions accepted
- ▶ Risk analysis and mitigation plans
- ▶ Supplier compliance with UC policies while conducting business on campus

Benefits of using contracted suppliers

- ▶ Price confidence
 - ▶ Less time shopping and price comparing
 - ▶ Consistent pricing and across campuses and departments
- ▶ Promotionals and additional discounts
- ▶ Negotiated Delivery/Freight/Handling
- ▶ Negotiated returns and warranty protection
- ▶ Supplier funded programs for sustainability, internships, special programs
- ▶ Faster purchasing process

Added value from contracted suppliers

- ▶ Socially responsible purchasing meets UC standards
- ▶ Leverage suppliers expertise and knowledge
- ▶ Training and vendor shows
- ▶ Business reviews for continuous improvement
 - ▶ Better data means better negotiating power
 - ▶ Change management and communication
 - ▶ Supplier performance and relationship management
